

# Change Up Learning

An online learning and development platform to help educators, youth workers, and child care providers create lasting change.

## High-Impact Training Experiences

Assign courses that leverage the science of adult learning, change, and motivation.

## Career Development and Learning Journeys

Upskill staff through customized pathways that include digital badges and opportunities to earn professional training credit, college credit, and continuing education units.

## Training + Compliance Trackers

Fulfill and manage compliance with automated individual and group reports using courses that satisfy most state requirements for child care providers and educators

# High-Impact Training Experiences

**"A game changer and truly transformational for our staff."**

*-Supervisor*

**Anytime, Anywhere Training**

**Gamified Learning**

**Discussion Guides + Job Aids**

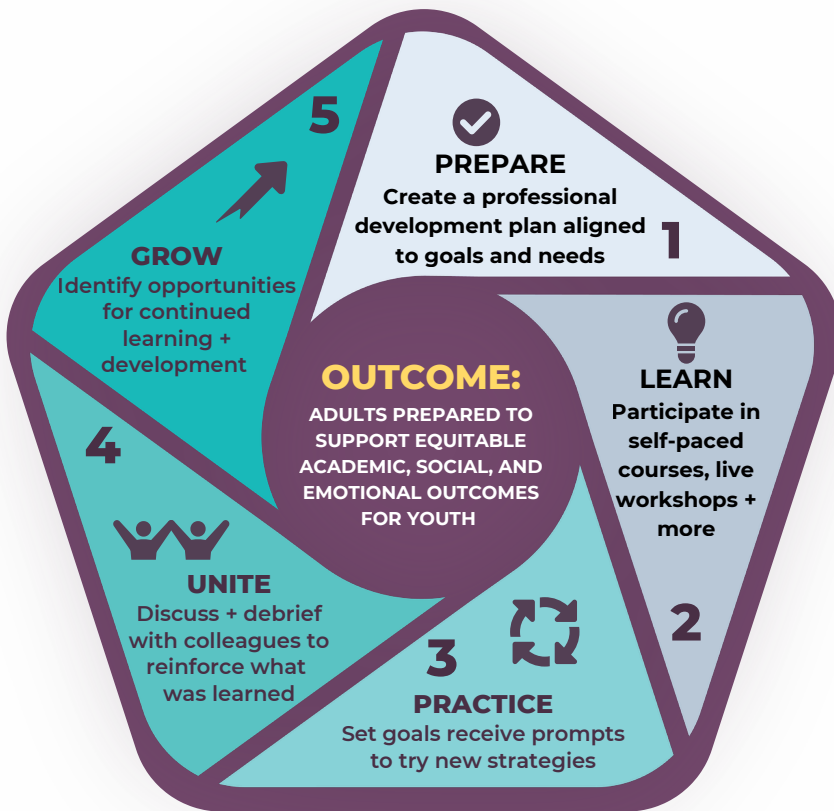

**Training + Compliance Tracking**

**PD Planning + Coaching Tools**

**Blended Learning Options**

**After completing a course with Change Up Learning:**

**98%**

report building knowledge and skills

**97%**

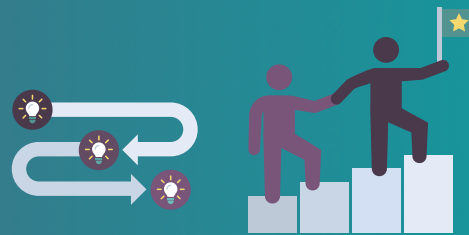

report being prepared to use what they learn

Change Up Learning is powered by Change Impact, a passionate group of seasoned innovators in education, youth development, and technology. We represent the communities we serve, and have nearly two decades of experience working together to drive equity for youth and their families.

- Out-of-School Time Alignment

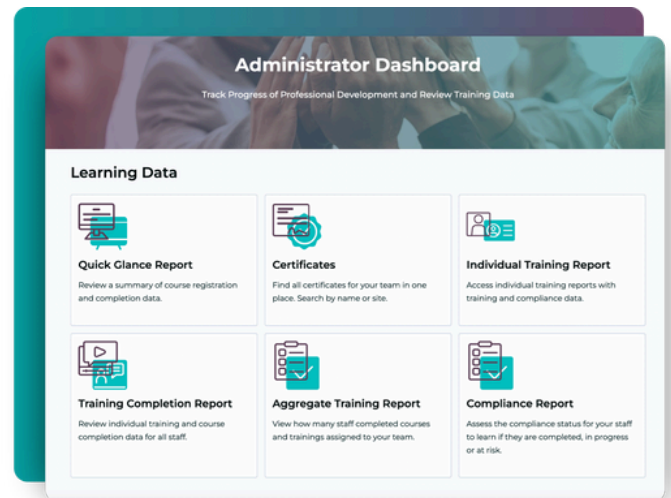

# Training & Compliance Trackers

**"Training and Compliance Managers, Change Up Learning is your new best friend."**

*-Supervisor*

## Track your team's professional development

View Change Up Learning courses and add data for other trainings taken by your team for comprehensive, automated individual and site-based training reports.

## Automate compliance reports

Navigate compliance with ease and save time to focus on what's most important: supporting young people.
